Motivational workshops to inspire your Year 6 students to perform at their best

These workshops are designed to support your students in the increasing challenges that they will face during this important year. They have been strategically created to be delivered every half term-to match the needs of your students at the right time of year.

September to December

- 1/ It's cool to succeed
- 2/ Developing an athlete's mindset-recognising your strengths

January to March

- 3/ Resilience and coping with challenges
- 4/ Revision and exam preparation

April to July

- 5/ Transitions
- 6/ Celebrating successes!

Testimonials

"The principal has a deep-seated commitment to ensuring that all pupils, particularly the most vulnerable, can succeed.... He enjoys the wholehearted support of pupils, staff, parents and carers." (Ofsted, 2018)

"Having been a leader in several countries, I would place Matt as one of the most highly inspirational trainers and coaches in both education and mental health I have ever met."

(Sharon Jones (M.A.Ed., BACP, ACTO), Director of the Stress Less Clinic)

"Matt is able to bring important life messages from his leadership on the football field and in school, he is an inspirational coach and trainer..." (Andy Herbert, Headteacher)

This fully holistic achievement focussed package will support the amazing work that your Year 6 teachers currently do. Students will be inspired and prepared to aim high and realise their true potential!
